Know God's Word

Read His Word and remember it

Meditate on the Word

Write it out

Speak God's Word

Find a place

Find a place to be alone with God.

He wants us to be alone with Him in a quiet place.

Give God your attention.

Be Ready

You need to have a book to write or draw what God gives you

You may want to record what He gives you

You need to have a pen, pencil, crayons, pastels or markers to write or to draw

Stay Quiet

We need to be quiet to hear God speak.

He wants our full attention.

Keep your mind, heart, and soul quiet.

Have Faith

You need God's faith to hear Him

Believe that He will talk to you, show you, or give you an idea

When you have faith, you will receive from God

See Jesus

See God with you.

Imagine Jesus talking to you.

Picture Holy Spirit teaching you.

Wait for Him to speak

Know who is speaking.

Let God speak to you.

God is our Father and He loves to tell us things.

Jesus also wants to share with us.

Holy Spirit will tell us about Jesus.

He shows us things

God gives us pictures.

Visions

Dreams

It can be people, places, things, and invisible things

How He speaks

He speaks in a quiet small voice and a voice like your daddy.

He gives us thoughts and lets you know things.

Words, the Bible, and about the future for you or others.

Ideas

Feelings with your body and other feelings

He also gives us

A dance

Drama

A song

Art

Game

Keep a copy and record it

Write it down

Draw it

Dance

Act it out

Sing

Remember it

Remember what He gives you and do it.

Keep it your heart, see it, speak it, and hear it.

Do it every day

Keep it with you when you go out

Think about it

Pray what you receive

Pray what God, Jesus, and Holy Spirit told you.

Keep praying until something happens.

God promised His angels to watch over us.

Obey Him

Obey God, Jesus, and Holy Spirit what they say.

God tells us also to obey His Word.

Obey your parents

Obey the Bible even in church, the teaching, and God's word about your future

Share with others and test it

Share what God, Jesus, and Holy Spirit tells you to share.

See if it matches the way He talks in the Bible.

Your family and friends need to know what He says.

God may give you a word for others about their future

God may give you a word through others

Practice Every day

Practice listening every day, so God can talk to you.

This will make you hear Him better and then you will know His voice.

Then you can tell others what God wants you to tell them

Salvation Prayer

God, I know that I have sinned against you. Forgive me for the wrong that I have done. I believe that Jesus Christ died on the cross for me and that He rose from the grave, so that I can have His long lasting life. Come into my heart to be my Lord and Savior. I choose to turn away from the wrong I did and choose to follow you. Lead me to walk with you. Keep me safe and teach me your ways. Stop every bad thing in my life that has an open door to hurt me. Close those doors. Holy Spirit fill me now in Jesus name. Amen.

Baptism in the Holy Spirit

Jesus you are the one that fills me with Your Spirit. Come Holy Spirit and come into my life and fill me to overflow with Your presence. Come with your fire too. Thank you for the gift of tongues in Jesus name. Amen.

Open your mouth and let the words come out that God gives you. It will be words that you don't know what they mean. God can give you the meaning when you ask Him. Keep giving God your mouth to speak it out. You need to let Him talk through you every day to grow this gift. He will also take you closer to God and you will know more about Jesus and have power from God to do great things and know things.

Prayer

Father God, open my ears to hear You. Help me to be quiet and to wait for You to talk to me. Open my eyes. Show me what You want me to know. Thank you for words, pictures, dreams, visions, and your voice. Help me to do what you want me to do in Jesus name. Make we smart, so I can help others in Jesus name. Amen.

Message from the Author

The Lord put it on my heart to write this book to teach children how to hear His voice, but the first priority is to know His word before we can hear Him. Most Christians do not know how to hear the voice of God or know that God speaks to them. In our world, it is so important for us to know His voice and His Word. It protects us from evil and danger that we do not expect. Many people have been saved because they heard God speak to them and they quickly followed His instruction. He can tell us the past, present, and the future. He just wants us to listen to Him and do what He says.
