

Foreword

Sucking the blood out of people was all fiction; those were dreadfully terrible times. But we have come many years from whence we came. Sadly, we have a president who did unimaginable things that would even make Alfred Hitchcock blush. Yes, it's all about him, the president that is, like a cancerous sore that never heals; it keeps him wanting more and more regardless of who he had to kill to get what he wants. Whether they're king or Queen or gay or straight, it didn't mean a hill of beans. He was in for the long haul, no one the wiser of his dastardly deeds. His thirst for blood was mind-bending. He didn't discriminate who the victims were; he took them as they came. Once you read the story, I hope you agree that this guy was one badass crazy idiot that the world had ever seen and may never see again, and you may know why I chose the title of the book coined "ZOMBIE." Basically and succinctly, Zombie is like the new kid on the block that can stretch one's imagination toward the bizarre and be slightly kinky at times. It can take one's vision on a helluva ride.

Lastly, there is no biting on the neck or tooth marks. I hope you ENJOY and find the book a page-turner, especially on a thunderous night with the rain pouring down in torrents and ominous lightning streaking across the pitch-black sky.

ZOMBIE is about a demented chief executive officer extinguishing Kings and Queens and heads of nations; anyone in between that gets in his way. And, also, snatching women, detaining them, controlled by a modern type of horror in a shirt and tie, smooth-talking, willing as far as kill to have his way.

About

Name: Clifford Benjamin

Profession: Author

Genre: Thrillers, Suspense, Mysteries,
Action & Adventure, Horror

Country: United States

Clifford Benjamin was born in Ocala, Florida, and grew up in New York. He has been writing since 2000. He began his writing journey by writing short stories for Reader's Digest. He attended Bluefield State in West Virginia for a year and a half but dropped out after no longer having a desire to study. His books are a treat to read and never bring disappointment.
